CONNECTION GUIDE

WE'RE GLAD YOU ARE HERE!

We are honoured to have you join us today for our worship service here at Saalem. We conveniently offer translation in several languages through an app you can download to your mobile phone. Please follow these 5 simple steps to get connected.

1. CONNECT TO OUR WI-FI

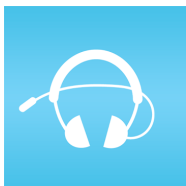

To begin, **connect to the Wi-Fi Network** that we have setup for translation here at Saalem. Connect as you normally would using the network info below:

Wi-Fi Network:

Password:

Listen Everywhere App

2. DOWNLOAD THE APP

Once connected to the Wi-Fi network, download the **FREE** app called "**Listen Everywhere**" from your mobile device's app store, such as "Apple App Store" or "Google Play Store". (For reference, the app's icon looks like the one shown at the left.)

3. LAUNCH THE APP

With your **headphones connected** to your mobile device, you may now **launch the app**. The app should connect **automatically** to our translation services. If not, you may need to click the button "**Venue Scan**".

4. CHOOSE YOUR LANGUAGE

Once the app is connected, you should see a **menu with all the different languages** we currently have available for translation. Simply **choose your preferred language** to begin receiving translation.

5. WE'RE HERE TO HELP!

If you have **any issues** downloading the app, or receiving translation, **we're here to help**. Please come by the **entryway** of the church and **we'll connect you with the help you need**. We're glad to have you with us today here at Saalem

THANK YOU FOR JOINING US TODAY.
